Indochine Select

THE PREMIUM COLLECTION

ST25 Fragrant Rice

A fragrant Vietnamese centrepiece, selected around a delicate aroma, tender cooked texture and an elegant long grain.

THE SELECT SPECIFICATION

Confirm ST25 varietal identity and origin, then approve the cooking sample, milling date and a tighter broken-grain specification for the selected lot.

Whole-Grain Black Rice

Deep natural colour, a nutty character and a satisfying bite bring something distinctive to grain bowls and premium pantry ranges.

THE SELECT SPECIFICATION

Specify the named variety, whole-grain finish, colour consistency and cooked texture. Approve grain purity and the sample before packing.

Indochine Select

THE PREMIUM COLLECTION

Specialty Arabica Coffee

An origin-led coffee selection for a more expressive cup, with flavour and processing documented for each approved lot.

THE SELECT SPECIFICATION

Request traceable Vietnamese origin, harvest and processing records, defect limits and a current sensory assessment. Specialty positioning depends on the evaluated lot, not the Arabica name alone.

Green beans for roasters · retail roast briefs

Fine Vietnamese Robusta

Vietnam’s bold coffee character, selected for a clean, full-bodied cup suited to phin brewing, espresso and a distinctive retail story.

THE SELECT SPECIFICATION

Agree cherry selection, processing, defect limits and a documented cup evaluation. Select a fine-grade lot for sweetness and balance rather than relying on strength alone.

Virgin Coconut Oil

A coconut-forward pantry oil, selected for its fresh aroma and a documented virgin process rather than a neutral refined profile.

THE SELECT SPECIFICATION

Request the extraction method, no-refining declaration and batch analysis. Agree aroma, moisture, free fatty acids and peroxide limits; confirm any cold-pressed claim from production records.

Soft-Dried Mango

Fruit-led sweetness and a soft, generous bite. A focused snack selection for customers who value recognisable ingredients and real fruit flavour.

THE SELECT SPECIFICATION

Prioritise a no-added-sugar recipe, ripe-fruit flavour and even slices. Confirm the ingredient declaration, sulphite status, moisture, shelf life and an approved eating sample.

Dried Pineapple

Bright tropical flavour with a balanced sweet-tart finish. Selected pieces give a premium snack range a vivid, familiar second fruit.

THE SELECT SPECIFICATION

Prioritise a no-added-sugar recipe and a defined ring or piece size. Approve ripeness, drying method, fibre texture, moisture and the complete ingredient declaration.

Roasted Whole Cashews

Generous whole kernels, a clean roast and a crisp bite create a visible upgrade for premium snacking, hospitality and gifting.

THE SELECT SPECIFICATION

Specify a larger whole-kernel grade such as W240, low breakage, roast colour and seasoning. Confirm raw-nut origin separately from processing origin, freshness and barrier packaging.
